Welcome BOMA/IFMA/USGBC members!

Gordon V. R. Holness, P.E., Fellow ASHRAE, Life Member, is a consulting engineer out of Grosse Pointe Shores, Michigan.

As ASHRAE's president, Mr. Holness directs the Society's Board of Directors and oversees the Executive Committee. His presidential theme, Sustaining Our Future by Rebuilding Our Past, addresses energy efficiency in existing buildings.

Mr. Holness is a member of the Advanced Energy Design Guide Steering Committee and the Headquarters Building Renovation Committee. He has served as chair of numerous committees and councils most recently Members Council, the Advocacy Committee and the Steering Committee on Building Information Modeling and

Interoperability. He formerly served on the Board of Directors as president-elect, vice president and director-at-large.

Mr. Holness is the recipient of the Exceptional Service Award, the Distinguished Service Award, the Journal Paper Award and three ASHRAE Technology Awards. He is a registered mechanical engineer, licensed to practice in 42 states and four provinces. He also is a chartered engineer in the United Kingdom.

Why it matters to you

1. Please welcome the ASHRAE Society President to Central Florida.
2. Special invite goes out to BOMA, IFMA USGBC and all other interested professional organization members. Gordon's presidential theme is centered on you.
3. Gordon will also share an insight into the future of our professional society.

*Menu includes: Chicken Wellington & chocolate parfait.
Alternate Vegetarian Meals are available upon request.
Cost: \$25 in advance; \$30 at the door without RSVP*

*Come for the free hors d'oeuvres,
stay for the experience!*

Bill Dillard
CEO

EMCOR Services – MSI

1. Member ASHRAE SPC 189.1
2. Past President, ASHRAE Central Fla. Chapter
3. Chair, Government Advocacy Committee

**Specially designed for our under
35 members. program begins at
6:20 – all are welcome!**

Bill has been in the HVAC&R industry for the last 35 years. Bill will provide insight as to what to expect from Gordon Holness's presentation. He has known Gordon personally for years and may just drag him to the YEA Tech topic. It will be a fun learning time.
