

Technical Dinner Meeting

Central Florida Chapter
Refrigeration & Officer Induction

Who	What	Where & When
<p>SA Sherif, PhD</p> <p>Prof. & Dir. Wayne K & Lyla L. Masur HVAC Laboratory</p> <p>Asst. Dir. Industrial Assessment Ctr. Mechanical & Aerospace Engineering, Univ. of Fla.</p>	<p>Ice Fog & Psychrometrics: The Missing Link in Industrial Freezer Design</p>	<p>Thursday, May 13 6:00 p.m.</p> <p>Dubsdread Historic Banquet Hall 549 Par St., Orlando 32804</p>

Register Today by clicking here: [RSVP HERE](#)

Welcome A & E members!

Dr. S.A. Sherif served on the faculties of the University of Florida (1991-present), University of Miami (1987-1991), and Northern Illinois University (1984-1987). He is a Fellow of ASME, a Fellow of ASHRAE, an Associate Fellow of AIAA, a Member of Commission B-1 on Thermodynamics and Transfer Processes of the International Institute of Refrigeration, and a Member of the Advisory Board of Directors for the International Association for Hydrogen Energy. Recently he served as the Head of the Refrigeration Section of ASHRAE (2004-2008) and the Technical Conference Chair of the 2008 ASME Summer Heat Transfer Conference. He is the recipient of the E.K.

ASHRAE Distinguished Lecturer

Campbell Award of Merit from ASHRAE in 1997 for "outstanding service and achievement in teaching" and a "TIP" teaching award from the University of Florida in

1998. He is also the recipient of the 2001 Kuwait Prize in Applied Sciences, an ASHRAE Distinguished Service Award (2003), an AIAA Best Paper Award (2005), and an ASME Best Student Paper Award (2005). In 2007, he received a "Superior Accomplishment Award" in recognition of his outstanding service to the University of Florida. He has 375 publications and two patents.

Why it matters to you

1. ASHRAE represents the arts and sciences of HVAC&R. For our members who represent the "R" (Refrigeration) - This seminar is for you!
2. Come revisit the psychrometric chart. This seminar will give you fond memories of Thermo-II. See your ASHRAE research money put to use.
3. Witness the swearing in of your new ASHRAE executive committee for year 2010-2011.

*Menu includes: BBQ ribs, garlic mashed potatoes, corn in butter sauce & Key Lime pie. Be sure to indicate an alternate meal request in your **RSVP** to Ben Fauser (info below). Cost: \$25 in advance, \$30 at the door without **RSVP**. Discounted yearly coupon booklets available.*

*Come for the free hors d'oeuvres,
stay for the experience!*

Todd Moore

Regional Sales Manager – SE
Trane Company

1. Regional Vice-Chair, Student Activities
2. Past President, ASHRAE Central Fla. Chapter
3. Chair, ASHRAE Student Design Competition

Specially designed for our under 35 members. program begins at 6:20 – all are welcome!

Todd will talk about the importance of refrigeration and it's application to our industry. Quiz him about the world of technical sales. He will also wrap up the year for "YEA Tech" topics, soliciting your suggestions for the years to come.

Contact: Ben Fauser ASHRAE Central Florida Programs Co-Chair. Ph: 407-647-1039.
