Welcome AIA, ASCE & ASME members!

Charles E. Gulledge III, PE, CSI, MAI is a distinguished lecturer on the topics of MasterFormat 2004 and Integrated Building Design. He is also a member of: the Handbook Committee, Building Information Modeling and Interoperability Ad Hoc Committee. He is an ASHRAE Liaison to the Construction Specifications Institute (CSI) and has been past Chair of several pertinent committees. Mr. Gulledge has received the Chapter Service Award, Regional Award of Merit, Distinguished Service Award, and Dan Mills Technical Award.

**ASHRAE Distinguished
Lecturer**

In his role as CSI liaison, Mr. Gulledge was intimately involved in the overhaul of the MasterFormat 2004 (MF04) specification organization structure. He currently serves as a MasterFormat Accredited Instructor (MAI) for CSI and has trained multiple classes of MAI instructors, conducted Webinars on Basic MF04 and MF04 and participated as a seminar speaker in several ASHRAE venues. Mr. Gulledge was primary author for the CSI white paper, MasterFormat 2004 Edition - 2007 Implementation Assessment.

Mr. Gulledge is a Senior Mechanical Engineer with the design/build firm of AC Corporation in Greensboro, NC. A licensed professional engineer, he received his B.S. in Mechanical Engineering from North Carolina State University. He has over 24 years experience in the HVAC industry.

Why it matters to you

1. Most design firms now use Master Format 2004 for specifications writing. If your firm has not yet done so - learn about its pros and cons
2. Great learning for all interested in Mechanical, Fire Protection, Plumbing, Electrical and Architecture spec writing.
3. Crash seminar for all future MEPF&IT head of departments, corporate engineers and budding engineers of record.
4. Free PDH's will be offered for this course.

Menu includes: Baked Mahi with tropical salsa and yellow rice & cheesecake with strawberry topping. Be sure to indicate an alternate meal request in your RSVP to Ben Fauser (info below). Cost: \$25 in advance, \$30 at the door without RSVP. Discounted yearly coupon booklets available.

Come for the free hors d'oeuvres, stay for experience!

Damon Lynn

Mechanical Dept. Head
Ent & Hospitality, X-nth, Inc.

1. Mechanical Dept. Head
2. Past President, ASHRAE Central Fla. Chapter
3. Delegate, ASHRAE Reg. XII CRC

**Specially designed for our under
35 members. program begins at
6:20 - all are welcome!**

Everyday Damon Lynn trains and mentors multiple young engineers at X-nth, Inc. Besides mentoring, his responsibilities include specification book writing and editing. Damon will provide pointers to effective specification writing. Young engineers interested in this important aspect of the design and consulting business will definitely benefit.
